

Building Nests

Kindness to the Earth

Choose items found on the ground.

Take only what you need.

Be gentle with your items.

Thank the Earth for helping you make this beautiful art!

Leave your art in place for others to enjoy.

Gather natural items and make a small nest. Notice the colours and textures of this home you have made.

Who is this nest for? What kind of animal might raise a family here?

Where - or who - is your nest? Where do you go when you need comfort and support?
