

# Leaves and Light

## Kindness to the Earth

Choose items found on the ground.

Take only what you need.

Be gentle with your items.

Thank the Earth for helping you make this beautiful art!

Leave your art in place for others to enjoy.

Collect leaves of all different colours. Using a piece of hemp or other natural string, thread the leaves onto the string.

How does light change each leaf when you hold it up to the sun? Does the colour change?

How do you find the light when you having a cloudy day?
